

Whether you're on PTO or it's the middle of the night, the care you need is just a call or click away! We are **waiving the MDLIVE copay** for the 2023 plan year.

If you are enrolled in a [[Client Name]] medical plan, you and your dependents will have access to the telemedicine benefit through MDLIVE. For 2023, your cost per consultation is \$0!

MDLIVE is a national network of U.S. board-certified doctors available on demand 24/7/365 to diagnose, treat and prescribe medication, if necessary, for many of your medical issues. It's quality care when you need it.

Talk to a Doctor Anytime!

With MDLIVE, plan members can conveniently consult with board certified physicians through phone or video consults. A wide range of common non-emergency conditions may be treated, including:

- Allergies/allergic reactions
- Cold and flu
- Constipation
- Cough
- Diarrhea
- Ear problems
- Fever
- Headaches
- Insect bites
- Pink eye
- Rashes and other skin irritations
- Respiratory problems
- Sore throat
- Urinary tract infections
- Vomiting

Getting Started

You can access your telemedicine benefit in one of three ways:

- Call **877.764.6605**
- Download the free MDLIVE mobile app from the App Store or Google Play
- Visit the MDLIVE website at **www.mdlive.com**
