Your Delta Dental ID number is changing, effective July 1, 2023

What is changing?

Effective July 1, 2023, your Delta Dental ID number will no longer be your Social Security Number (SSN). You will be assigned a new unique 10-digit Delta Dental ID number.

This change is being made to further protect your personal information. No other changes were made to your dental benefits, and you do not need to do anything different when using your dental benefits.
