Teladoc is a national network of U.S. board-certified doctors available on-demand 24/7/365 to diagnose, treat and prescribe medication, if necessary, for many of your medical issues. It's quality care when you need it at a price you can afford.

State-licensed doctors can resolve many of your medical issues including, but not limited to:

- Cold & flu symptoms
- Allergies
- Bronchitis
- Urinary tract infection
- Respiratory infection
- Ear infection
- Sinus problems
- Pink eye

AT&T Language Line is available for any members who require translation assistance.

PLEASE NOTE: All users over the age of 18 must complete their own medical history disclosure form, dependents under the age of 18, their guardian must fill out their form.
